

Resistance

# M1.96-144 R100k

| Technical data   |                                      |
|------------------|--------------------------------------|
| Power supply     | 240AC, 230AC, 24DC, -, 10-30DC, 40DC |
| Measuring input  | Resistance measurement 0 - 100kΩ     |
| Number of digits | 4                                    |
| Digit height     | 14 mm                                |
| Width × height   | 96 x 48 mm                           |

### Variants (1)

| Article no. | Description                   |
|-------------|-------------------------------|
| 70004-1719  | M1.96-144 R100k / 230AC N 0 R |
